

## High quality concentrated wax for all carwashes

### Product Description

Platinum Wax is a strong concentrated gloss wax conservation.

### Properties

Platinum Wax is a strong concentrated double action wax:  
First the nano-particles fill the pores. Secondly the Kenolon bonds with the nano molecular film and ensures a hard protective, dirt, salt and UV repellent shield.  
Platinum Wax acts ultra fast and gives an incomparable shiny gloss and smoothness on the bodywork.  
Platinum Wax is free from mineral oils and has a pleasant perfume.

### Direction of use

Platinum Wax is used as wax in carwashes.  
It can be applied with a waxing arch, or manual while rinsing.  
Dosage: 7 - 15 ml/car (0,07-0,15%)

### Specifications

Physical state	Liquid
