

Technical Data Sheet

Silicone Free Dressing

Version: D
Date of Update: 14/10/2019

Silicone free interior product

Product Description

Silicone Free Dressing restores the appearance of interior plastics and creates a beautiful and deep gloss finish without having an unnatural gloss.

Properties

Silicone Free Dressing can be used in Car body shops.
The plastic will be left with a protective layer and is antistatic. This helps to keep the surface free of dust.
Silicone Free Dressing has a pleasant perfume.
Silicone Free Dressing is free of silicones.

Direction of use

Apply the product with a sprayer or a sponge. Distribute evenly with a cloth.
Do not apply on steering wheel and pedals.
