

Red foaming polish with gloss improving effect

Product Description

Super Polish Red is a polishing foam that improves the gloss of the paintwork and has a conditioning effect.

Properties

Super Polish Red is a high foaming product (red foam).
Super Polish Red keeps washing material clean and is easy to rinse off.
Super Polish Red contains a pleasant cherry perfume.

Direction of use

Always use Super Polish Red in combination with air-pressure and water to obtain a foaming action.
A mechanical action is needed to improve the gloss effect: brush, mitt or horizontal brush.
Dosage: 10 - 20 ml/car (0,1 - 0,2%)
Rinse off with clear water, afterwards apply wax or drying agent.
Dry the car.
